Prayers and Support needed for DCM's New School Pastors Project

Derby City Mission is planning to introduce School and College Pastors into secondary schools in Derby, beginning with two schools in the city but grow as the Lord enables it.

They are asking for the following support:

- Encourage church members who may wish to volunteer as a School Pastor
- Pray for the establishment of School Pastors in general and specifically for any secondary schools in our area
- Provide donations towards the £12,000 needed in Year 1 to launch School Pastors

This summertime take time to Rest in the Lord to be strengthened, healed and transformed

Do you try to set aside times of quiet for openness to the Holy Spirit? All of us need to find a way into silence which allows us to deepen our awareness of God and to find the inward source of strength.

The Prayer of Silence.

In the prayer of silence, often called Meditation, we come before God empty but receptive and expectant, open to the deep healing God wants to work in us: to form us in the likeness of Jesus. He often went away to be silent and told us: "go into your inner room." This authentic Christian prayer is specially needed in these days of frenetic activity – where we can just be at home in God's love.

How do we meditate?

Sit upright, still and relaxed; close your eyes lightly.

Be still and know that I AM. (Psalm 46: 10)

Wait on God alone in stillness my soul. (Psalm 62: 10)

To keep us still before God it helps to say silently, interiorly, continuously, a scriptural phrase or word (a mantra) such as: *Come Lord, Abba, Father, Jesus, Peace...*

We choose a word or short phrase we feel drawn to and let it become rooted in us.

Any thought or image during this time is a distraction (however holy!)

When we wander we simply return back gently to the word.

It is good to meditate regularly each day.

In silence we become open to all that God wants to transform and heal in us.
