Liz is walking again in May to raise money for the Kagando Hydro Project 2022

A reminder that I am walking again to raise money for the Kagando Hydro Electric Power scheme.

This is an ongoing project the Friends of Kagando Trust is supporting and raising money for.

We have enough for the next phase which is laying the pipeline but need to raise the money for the cost of the turbines to complete the project.

So, one woman and her dog (now fully grown!) have taken up the challenge again to walk the equivalent of the length of the pipe needed for the hydro scheme, at least 2.5 km every day, during May. I am asking you to help by generously sponsoring this challenge. You can give via JustGiving:

www.justgiving.com/Liz-Lunn2ndHydroWalk

Ask Liz for more details and about others ways to give.

Do you have any spare mugs for Sudbury Prison?

Now that chaplaincy services and activities have resumed without so many restrictions in prisons, we are able to offer refreshments to those attending. As you can imagine, things sometimes go missing in jails! Our stock of mugs gradually depletes and if anyone has any old or spare ones, Jo Honour would be very grateful to have them to take into Sudbury.
